CARGO BASKET WITH HOSES

TECSEP's 6.75 x 1.20 x 1.35 m Hose Basket comes with 4-part certified slings and weights 2050 kg. The hose basket is designed for safe transportation of hoses or cargo offshore. The basket has space for up to 40 pieces of 4-inch hoses each 20ft with unions/camlock couplings. The corners of the basket are protected with solid stainless-steel plates to prevent corrosion/damage caused by the heavy coupling on each side of the hose.

TECSEP SOLUTIONS FOR YOUR OPERATIONS APPLICATIONS

- Transportation of filtration hoses or cargo offshore.
